

‘Dress to Impress’, in conjunction with the Association of Asian Women Lawyers

Irwin Mitchell’s women’s network, IMpowered, would like to invite you to attend an evening of fun and fashion with Maggie Killick, Style Consultant. Maggie has been described in Vogue as ‘A highly recommended style and image consultant who treats clients as individuals’. Maggie will deliver a practical and interactive presentation designed to help you look and feel your very best, resulting in a positive image of you, your clients and colleagues. Maggie aims to help you to understand what looking good can do for you, and will address issues with dressing professionally in the workplace. She will offer practical advice on how to achieve a professional look that retains individuality. This will be followed by networking and canapés.

The event is open to both men and women.
